- 12,000 TL to the Fourth.
General Conditions

• To be eligible for Racing, all Purebred Arabian Horses must be registered in a Stud Book approved by WAHO.

• Local Jockey Clubs/Racing Authorities are permitted to accept entries of the horses under their Jurisdiction. Payment of entry and declaration fees will be guaranteed by Local Jockey Clubs/Racing Authorities

• Entry forms must be filled out, stamped and sent by the local Racing Authorities / Jockey Clubs.

• Individual applications made by owners or trainers, can not be accepted.

• Geldings will not be accepted.

• It is compulsory that Riders must fill out the declaration form in Appendix 6 of the International Agreement before the race.

• Prize money will be paid in Turkish Liras.

• The number of starters is limited to 22 runners for International Ali Riza Bey Stakes G2. If the number of contenders exceeds the limit after the declaration date, it will be reduced to the limit through elimination by a committee formed by the Jockey Club of Turkey and the handicappers. The horses thus eliminated will be reimbursed with their declaration fee.

• Any or all contenders will be tested for prohibited substances, according to stewards' decision.

• The following accessories are allowed: Blinkers, cheekpieces, earmuffs and tongue-tie and Flair Strip other special equipment. (Any other special equipment as blinkers, earmuffs until the start.) must be declared at declaration stage.
• International Races are subject to Turkish Rules and Regulations. Therefore all participants in the
Turkish International Races are subject to The Turkish Horseracing Rules and Regulations and take
full responsibility for their compliance with Rules and Regulations.

• If any trainer can not be present during the International Races, he/she would assign their assistant
trainer to act as a representative on behalf of him/her. It must be informed by Local Jockey Clubs
and sent this approval to the fax number; Fax: +90 212 414 69 56.

• All trainers or representative assistant trainers must be available before the races at saddling unit
and after the races at doping unit. According to the 74 article of The Horseracing Bylaws, Stewards
are authorised to send all racing horses (generally the first four) for doping inspection after the race.
In case of the fact that the trainer or his representative fails to be present during the sampling stage
despite the invitations, the procedure shall be completed by the members of the Committee only.
But, in this case, the owner/trainer shall have no right to make an objection to the doping inspection
results. • Urine or blood samples will be taken for inspection from the horses in the presence of one
authorized person of from both stewards committee and doping inspection committee, and also in
the presence of horse owner or trainer or authorized assistant trainer. After obtaining the blood or
urine sample from the horse, the bottles (for urine) or the tubes (for blood) will be sealed and witnessed
by the committee and an official report will be signed by the members of committee (owner, or
assignee, or trainer and veterinary). The sealed bottles or tubes will be delivered to authorized
steward.

• If the horse is withdrawn from the doping inspection it will be regarded as a doping positive horse.

• Entry and Declaration fees are included in the winner’s prizemoney.

• Only the horses born in Turkey are eligible to have the Breeders Premium.
Documents Required

Deadlines For Submission, June 20th, 2011
(to be sent by fax +90 212 414 69 56)

• Relevant pages of the horses’ passport copies,

• Performance sheet of the horse, in detail with the last 10 races and the international ratings. Any horse having run between the race date and the deadline of the document submission, must also be advised before the arrival horses to Turkey,

• A written authorisation from the owner/Racing Authority indicating who the relevant trainer is,

• Biographies of the owners, trainers and jockeys to be presented to the media,

• Racing colors (design of jacket, sleeves and cap) must be sent by e-mail,

• Clearance certificates (penalty status indicated) and licenses (validity period indicated) of the trainers and the jockeys issued by the related jockey club/racing authority. Horse owners and horses should be cleared as well.
Shipping Rules

General Provisions

• Owners and trainers are responsible for arranging the shipment of their horses including the customs formalities in their own countries. The Jockey Club of Turkey is responsible only to deal with the customs formalities in the Istanbul Customs House to and from Turkey.

• Horse owners and shipping agents are responsible for all of the import/export documentations.

• The Jockey Club of Turkey cannot be held responsible for any delay during the customs clearance at the International Ataturk and Sabiha Gokcen Airports.

• The first arrival date of Race Horses to Istanbul is the declaration date on June 20th, Monday after hour 17:00 local time. Race Horses must depart from Istanbul latest one week after the race day.

• The horses will be directly sent to the Istanbul Veliefendi Racecourse after the clearance of horses from the Istanbul Customs House as soon as the customs formalities for the horses are finished. Any responsibility shall not be accepted by the Jockey Club of Turkey, if the associates of the horses (owner/groom/trainer) do not allow the vans to leave the airport for the Veliefendi Racecourse under the supervision of the Turkish Vets and Grooms with the written report showing the situation of the horse at the time of delivery.
Recommendations

• The use of ATA Carnets is recommended in order to clear the horses smoothly from the Istanbul Customs House as early as possible. The Invoices of the horses may not be asked by the Istanbul Customs House in case the ATA Carnets are available with the horses.

• As the International Sabiha Gokcen Airport is 1 hour and 30 minutes far from the Veliefendi Racecourse while the Istanbul Ataturk Airport is only 15 minutes, we strongly recommend you to prefer the latter for your horses’ arrivals and departures.

Health Requirements

• Please refer to your shipping agents. They are to provide you with the required Veterinary health certificates for both the temporary importation into Turkey and re-exportation (re-entry) into EU territory and other Countries from Turkey.

• Documents Required to be sent to the Jockey Club of Turkey before the Importation

• The front page copies of the ATA Carnets and front pages of the Passports of horses should be faxed to +90 212 414 69 42 a few days before the shipment.

Bank Account Details;

• All the fees with net amount must be sent to the account number given below and the owner is responsible for all bank charges.

• Please ensure that the bank transfer includes the Race and the horse’s name.

• The money must be seen at the account on the designated dates and hours. Otherwise, the entry, confirmation of entry and declaration would not be valid. Please consider the deadlines for bank transfers.

• No fee will be reimbursed to the owner unless a horse is eliminated from the race by the decision of the Board. And in this case only the declaration fee will be reimbursed.
**Prohibited Substances**

The Regulatory Racing Authority the Ministry of Agriculture and Rural Affairs is signatory of The International Breeding, Racing and Wagering Agreement. The 6th article of the Agreement establishes and classifies the prohibited substances as follows; Substances capable at any time of causing an action or effect, or both an action and effect, within one or more of the following mammalian body systems:

**Substances capable to effect:**
1. The nervous system
2. The cardiovascular system
3. The respiratory system
4. The digestive system
5. The urinary system
6. The musculoskeletal system
7. The blood system
8. The immune system except for licensed vaccines against infectious agents
9. The endocrine system
10. Endocrine secretions and their synthetic counterparts
11. Masking agents.

Finding of a prohibited substance means a finding of the substance itself or a metabolite of the substance or an isomer of the substance or an isomer of a metabolite. The finding of any scientific indicator of administration or other exposure to a prohibited substance is also equivalent to the finding of the substance.
At the 6th article of the International breeding, Racing and Wagering Agreement, some prohibited substances are searched for according to their threshold levels.

Our Laboratory cooperates and holds membership with the following International Organizations:

- IFHA (International Federation of Horseracing Authorities)
- AORC (Association Official Racing Chemists)
- IITP (International Interlabaratory Testing Program)
- AQAP (Asia Quality Assurance Program)
- TÜRKAK (Turkish Accredition Institute)

**Veterinary Services**

The fully equipped equine hospital located in the stable area of the local horses, gives service 24/7. During working hours any request should be directed to Veterinarians on site at the International stables, after working hours it is recommended to contact the security staff who will refer to the English speaking Veterinarian on-duty.

**Farriery Services**

Requests should make to the Veterinarian on site, who will arrange an appointment with the farrier.
